

Accessibility Statement – Bytepi Websites

Bytepi Media takes the following measures to ensure accessibility of our websites:

- Include accessibility throughout our internal policies.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. All Bytepi are partially conformant with WCAG 2.0 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard

Feedback

We welcome your feedback on the accessibility of our websites

- E-mail: support@bytepimediagroup.zohodesk.com

Compatibility with browsers and assistive technology

All Bytepi websites are designed to be compatible with the following assistive technologies

- Safari, Chromium-based browsers (edge, chrome)

However, it is not compatible with

- browsers older than 3 versions
- Operation Systems older than 5 years

Technical specifications

Accessibility of our websites relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

Limitations and alternatives

Despite our efforts to ensure accessibility, there may be some limitations. Below is a description of known limitations:

- Website Builder Limitations: Features beyond our website builder (wix) may not have accessibility settings. because We can't control how (Wix) implements their features. We will monitor the website and try workarounds.
